

EMPLOYMENT OPPORTUNITY

Heavy Equipment Operator

The Town of Churchill seeks an individual with a positive and proactive approach to assume the duties of a Heavy Equipment Operator for the Town of Churchill Public Works Department.

Reporting to the Director of Public Works and Utilities, the successful candidate will perform duties such as operating a grader, backhoe, tandems, loaders and snow blowers to excavate, load and grade earth, rock, gravel, snow or other materials. In addition, the successful candidate must have the ability to conduct pre-operational checks and follow safety procedures as well as perform other duties as required.

Job Requirements:

- Grade 12 Education or equivalent,
- Valid Class 3 Manitoba's Driver's license with Air Brakes Endorsement (Class 1 preferable),
- Must have 2 years' experience operating all pieces of heavy equipment noted above,
- Must have excellent communication skills and be able to follow instructions and seek clarification where required,
- Must be willing to be an effective member of a team of Public Works employees,
- Must have a positive attitude and excellent work ethic,
- Must be willing to be on call on a rotating weekend shift,
- Must be mechanically inclined.

Conditions of Employment:

- Must pass a pre-employment criminal and child abuse registry background check.
- This position is represented by a labour union and is subject to the terms and conditions of the USWA Local 8660 Collective Bargaining Agreement.

ALL APPLICATIONS MUST BE SUBMITTED TO:
